Leonteq works closely with a wide range of fund management companies to deliver innovative solutions and competitive pricing

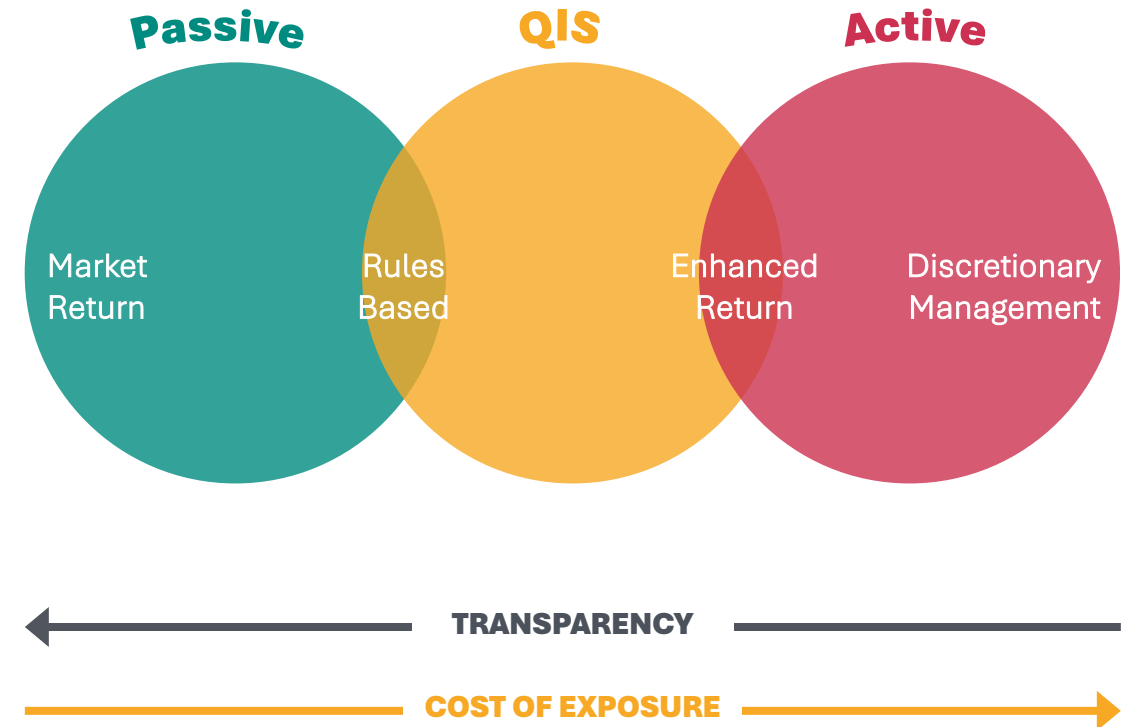

Structuring monitors market trends to propose timely and relevant trade ideas

Leonteq does not distribute funds. Leonteq may issue structured products having funds as underlyings or components of the relevant underlying index. The structured products issued by Leonteq have not been co-manufactured and are neither endorsed nor sponsored by the relevant fund management companies

Quantitative Investment Strategies (“QIS”)

- QIS are **systematic, rules-based** strategies designed to bridge the gap between discretionary actively managed strategies and passive, market- following strategies.
- The strategies are converted to **investible indices**, which can be used as underlying for structured products facilitated by Leonteq.
- Leonteq have a **flexible approach** to QIS development: given an investor view, we can structure a tailor-made index for many different uses
- Leonteq use a variety of rules-based mechanisms within indices (e.g. **Risk Control, Excess Return**), to provide cost-effective exposure to QIS through a variety of different wrappers.
- **Asset classes:** Mutual Funds, Futures, Equities, Exchange Traded Funds.

LEGAL DISCLAIMER

This presentation provides a high-level overview of services rendered by us in a partner structure. While the assumption is that we will be able to provide you, who are located outside of Switzerland with such services this remains subject to detailed legal analysis.

Consequently, this presentation may not be construed as a commitment from us to render such services. This presentation serves only for information purposes and is not research; it constitutes neither a recommendation for the purchase of financial instruments nor an offer or an invitation for an offer. No representation or warranty, either express or implied is provided in relation to the accuracy, completeness or reliability of the information contained herein.

Investment in financial products places your capital at risk. The price and value of the investment can go down as well as up, and you may lose some or all of your investment. Any income or coupons may fluctuate and are not guaranteed. The purchase of the financial products triggers costs and fees. There is risk that the counterparty will default and be unable to pay any amount due to the investor. Past performance is not a guide to future performance. Leonteq Securities AG and/or another related company may operate as market maker for the financial products, may trade as principal, and may conclude hedging transactions. Such activity may influence the market price or the liquidity of the financial products.

Investors bear the full credit risk of the issuer/guarantor for products which are not issued as COSI® products. Before investing in derivative instruments, investors are highly recommended to ask their financial advisor for advice specifically focused on the investor's financial situation; the information contained in this document does not substitute such advice.

This presentation is not a legally binding document and does not constitute (i) a prospectus or a simplified prospectus pursuant to art. 5 Collective Investment Schemes Act ("CISA"), as such article was in effect immediately prior to the entry into effect of the Swiss Financial Services Act ("FinSA"), (ii) nor a prospectus pursuant to article 40 of the FinSA, (iii) a listing prospectus pursuant to art. 1156 of the Swiss Code of Obligations. The legal documentation of the products can be obtained free of charge at Leonteq Securities AG via telephone (+41 (0)58 800 1111*), fax +41 (0)58 800 1010 or by sending an e-mail to termsheet@leonteq.com. Please note that all calls made to numbers marked with an asterisk (*) are recorded. By calling such number, your consent to the recording is deemed given.

In respect of each product, the issuance of these is subject to Swiss law. The products may not be sold or offered in any jurisdiction other than in compliance with all applicable laws and regulations. The products have not been and will not be registered with any local securities and exchange commission. Unless otherwise specified in the legal documentation of the products, the products are offered on a private placement basis only and no action has been taken to permit a public offering of the products (including via mass media). Selling restrictions apply for multiple jurisdictions, including the EEA, the United Kingdom, Monaco, Hong Kong, Singapore, Japan, Switzerland, Chile, Brazil, El Salvador, Uruguay, Peru, Bahamas, Andorra, the USA and US Persons. Detailed information with respect to the applicable selling restrictions are available in the legal documentation of the products and on <https://ch.leonteq.com/legal/selling-restrictions>. The existence of selling restrictions for a certain jurisdiction does not, per se, constitute an approval of the distribution of the relevant products in such jurisdiction by any financial institutions or intermediaries.
